In-kind assistance

Financial assistance

SERVICES OFFERED

Al Dar, Emergency Safe Sheltering for women & girl survivors or at-risk of violence (& their children). Three new safe spaces act as COVID-19 isolation units before shelter admission.

Men Centres offering individual, couples, and group psychotherapy sessions to assist men in identifying positive and nonviolent coping strategies.

Capacity building and awareness raising for the general public, for activists, local and international NGOs, & stakeholders. Emergency response activities include enhancing front-liner capacities on dealing with affected individuals, & supporting them with self-care.

Women and Girls Safe Spaces across Lebanon offering holistic care packages

Development of educational resources and publications for INGOs, UN agencies, government agencies, front-liners, and the general public

Advocacy and policy development, lobbying for GBV mainstreaming initiatives across all sectors, support to various clusters to integrate GBV into preparedness and response interventions.

As part of emergency response activities, ABAAD has been offering **mental health support (emergency response)** for coping with trauma and grief, emergency food, lodging, and clothing services, hygiene and dignity kit distribution to vulnerable households from the affected areas (including families displaced to different governorates), and GBV response. SERVICES OFFERED

Awareness-raising, training, and support for persons with disability and their families

LASA works with self-advocates with intellectual disabilities and their families through a rights-based approach. It provides a platform for PWD to fight for their rights and ensure their voices are heard.

Increasing community awareness about the rights of persons with disability

Creating a forum to disseminate information about human rights, and helping parents to fight for their children (improve their information about their legal rights within the Lebanese community)

Improving family advocacy skills and creating channels of communication at all levels of the local spectrum (assist them to find employment, schooling...)

TARGET GROUPS

Women
in all their diversity

Especially
women living with HIV

AREAS OF OPERATION

APPEALS

URGENT Need

In Lebanon, People Living with HIV receive their treatment from the National Aids Programme. Once a year, they are required to renew their medical files. This requires costly testing, noting that PLHIV are not covered by private insurance and freelancers/artisans are not covered by Social Security, while employees with coverage avoid it because of the stigma and discrimination associated with HIV status.

Flu vaccines

Co-morbidity
medication (high
cost, unaffordable to
PLHIV without NGO
contribution)

Shelter
& food boxes

SERVICES OFFERED

Advocacy, awareness-
raising, and capacity
building activities for
women in all their diversity

Working on the LEARN
MENA project which
highlights the interlinkage
of HIV and GBV (since
2018)

National capacity building
workshops on HIV, gender
norms, communication
skills, advocacy, and
networking

Currently conducting a
study on the dynamics
between healthcare
providers & People Living
with HIV (misconceptions,
prejudice, stigma, &
discrimination)

Online sessions for MENA focal points (HIV and COVID, nutrition and HIV, MH, burnout, self-care), PSS individual follow-up // Individual psychosocial support to MENA Rosa peer educators, focal points, and front-liners

Distribution of food
boxes and hygiene kits to
beneficiaries in Lebanon
(emergency)

Distribution of cash
livelihood support to MENA
Rosa network members
(emergency)

transportation system

Strengthening the movement
of riders for mobility rights

Campaigning to encourage
people to use the local
transportation system

Increasing collaborations
and partnerships for mobility
justice

Advocacy and awareness campaigns for mobility justice

SERVICES OFFERED

Contributing to building
a map assessment of the
Beirut blast's aftermath
as part of the Open Map
Lebanon community
through collecting 3D
imagery. The map
is open source.

Launching the "Bus
Line Heroes" campaign
to support bus drivers
affected by COVID-19
lockdowns and
preventive efforts.

Liaising with different
local organisations
and academic institutions to
improve work on
public transportation
in Lebanon.

Promoting the informal bus
system, defending riders'
rights, and empowering the
mobility system.

Creating a COVID-19
protocol for informal transit
and training bus drivers
and riders on COVID-19
self-protection and
prevention.

Women's Humanitarian Organization

جمعية المرأة الخيرية

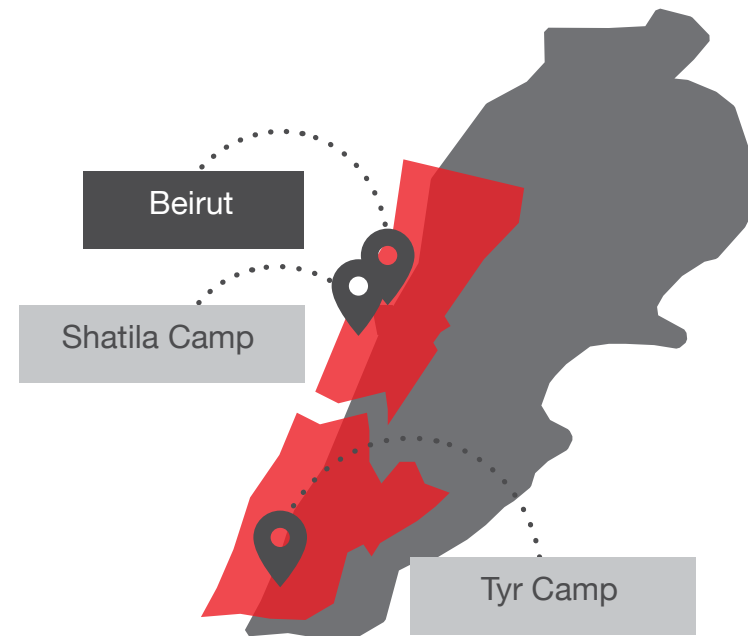

TARGET GROUPS

All Palestinian refugees in Beirut and Tyr
(all age groups, male and female)

AREAS OF OPERATION

APPEALS

Most Palestinian refugees have lost their jobs since October 2019, and are currently heavily impacted by the economic crisis. Women & children are in a very tough situation, bearing the brunt of the crisis. PalWHO needs funding to cover elderly persons' care, provision of meals for families, running a community kitchen, and distributing hygiene and dignity kits, especially to women who no longer have access to such items.

Interested in supporting our work?

Please contact Ms. Suha for information

In-kind
assistance

Financial
assistance

Volunteering
assistance
